## **MOBILE LICENSING UNIT BRINGS SERVICES DIRECTLY TO CUSTOMERS**

**DELAND** – The Florida Department of Highway Safety and Motor Vehicles is pleased to announce that its Florida Licensing On Wheels mobile office (*FLOWmobile*) is partnering with the charity IDignity Inc. of Orlando to bring service directly to customers. The *FLOWmobile* will be at the First Presbyterian Church, located at 724 North Woodland Boulevard in Deland, on June 9 between 8 a.m. – 4 p.m.

IDignity helps the disadvantaged in Central Florida overcome the difficulties of obtaining the personal identification that is crucial to enabling them to be self-sufficient. This mission is possible by bringing together all the necessary government agencies and numerous volunteers for periodic one-day events to assist those in need in navigating this complex process. Other agencies will help attendees gain access to their birth certificates, Social Security cards, and other documents with assistance from legal counsel. The Department of Veterans Affairs also will be on site. IDignity secured donations from local contributors to pay for the identification credentials to be issued at the event.

*FLOWmobiles* are equipped with the technology and ability to bring valuable motorist services directly to customers. They provide a convenient method to renew a driver license, change a name or address on a driver license, get an identification card, and renew vehicle registrations. *FLOWmobiles* also offer the Department's newest safety initiatives through Emergency Contact Information registration and safety campaigns by the Florida Highway Patrol. The Department encourages everyone with a Florida driver license or ID card to register their Emergency Contact Information. The information can then be accessed only by law enforcement officers to find designated contacts in the case of an emergency, such as a vehicle crash.

Customers who wish to obtain a driver license or ID card must bring documents to show proof of:

1) identification, 2) Social Security number and 3) residential address (two items). Customers who have legally changed their names must bring additional documentation. To find out exactly what you need to bring with you, visit [www.GatherGoGet.com](http://www.GatherGoGet.com) or call (850) 617-3995. *FLOWmobile* staff will assist customers who do not have the required documents on hand by explaining what documents they need and how to obtain them. In addition to cash and personal checks, the Department accepts the following credit cards: MasterCard, American Express and Discover Card.

The Florida Department of Highway Safety and Motor Vehicles provides highway safety and security through excellence in service, education and enforcement. The Department is leading the way to a safer Florida through the efficient and professional execution of its core mission: the issuance of driver licenses, vehicle tags and titles and operation of the Florida Highway Patrol.
